

# Appreciates Christmas message in *Daily*

**To *The Daily*:** Thank you for publishing the real Christmas story from Luke 2 and the prophecies from Isaiah in the Christmas Day edition of *The Decatur Daily*.

I appreciate your being willing to publish the message of Christ and his birth on the front page of the paper. Also, thank you for the insightful editorial column on Dec. 26, which was about the giving spirit of Christ that we should embrace year round.

Too often we are quick to point out the negatives about the media and we need to say "thank you" for the positive coverage that you provide for our community.
